

Policy Reinstatement Procedures

If you are an insured and your policy has lapsed due to **NON-PAYMENT OF PREMIUM ONLY**, you **MAY** be eligible for reinstatement under the following circumstances:

1. The amount of time between the date listed on the **Notice of Cancellation** of your policy and the requested reinstatement date **CANNOT** exceed 60 days. Policies with a lapse time of more than 60 days **MUST** be rewritten. See your local agent for further details.
2. Complete and sign the attached **No Loss Affidavit**. No losses must have occurred during the period of time the policy was lapsed. If any losses have occurred during the period of lapse, **COVERAGE WILL NOT BE REINSTATED**.
3. Attach your reinstatement fee in the amount of \$20.00.
4. Return the completed, signed form along with your reinstatement fee to the agent listed on your policy.
5. Once the form and fee are received, it is the company's option to reinstate or deny reinstatement of the policy. Have your local agent contact the company to confirm acceptance of the form and fee.
6. If accepted, coverage will reinstate to the original due date of your policy.
